IIM MEETING 1-4 OCTOBER 2015 Details about the registration will be posted ASAP on the IIM web site: http://www.coram-iim.it/

The IIM Meeting 2015 will be held from October 1 to 4, at
Hotel Matilde di Canossa (San Bartolomeo) - Reggio Emilia: http://www.hotel-matildedicanossa.it/
The IIM meeting is an open platform for researchers, industries, and academicians from Italy and all over Europe to communicate their latest research results and development activities in the field of MYOLOGY.
The following plenary sessions are scheduled, based also on the “traditional” areas of interest of the IIM:
• Genetic and epigenetic alterations in muscle dystrophies and myopathies
• Satellite cells and muscle regeneration in healthy muscle and in dystrophies/myopathies
• Biophysics and E-C coupling in the physiopathology of neuromuscular diseases
• Signalling in muscle homeostasis and diseases
• Metabolic alterations and muscle diseases
• Muscle wasting and cachexia
• Therapeutic approaches for muscle diseases
International leaders in the field of myology, have been invited and the list of Speakers will be soon available.
*We look forward to welcoming you to Reggio Emilia, a fascinating city where the old town still features the typical architectural structure of the 16th-18th centuries that make this place unique!
